

The **HOUSE OF STEEL** *Souvenir Show*

Mike and T Smith share their musical experiences in song and stories...includes their time touring and recording with Grammy Award winning artists.

These hit songs will take an audience back to a special time filled with magical memories while featuring some of the musicians who actually toured as bandmembers and recorded with these record breaking acts. The stories are heartwarming and sometimes hilarious about living life out of a suitcase in tour buses, airplanes and endless hotels. It's an insiders view of the artist's that created the songs of our life from those who shared the spotlight and the stage with them.
